Director's Note

Why this another School?

I feel that classes 6 to 12 and the age 10 to 20 years are the most crucial period for the development of a person. The qualities acquired during this period remain the main asset, a driving force in whichever field and whatever height they gains.

My most beautiful, gainful period has been at my unparalleled Netarhat School. With limitations, it is not possible for me to create another 'Netarhat'. Still, i and my other friends of NOBA (Netarhat Old Boys Association) have felt throughout our life that more should/could have been done. There is no limit to betterment hence it is our pledge to add that 'something' felt during the lifetime of mine and my NOBA friends and make it BETTER to prepare and equip our next generations for more challenges of today and tomorrow. That would be the most important goal achieved.

It is a natural and compelling tendency to 'acquire' and 'achieve' for any person, but after sometime, an indomitable desire to disburse, to give out prevails. As a doctor, my natural inclination should have been to make a big multispecialty corporate hospital but I feel more satisfied and complete in establishing a school where 'persons' are taking shape; the satisfaction of a painter/sculptor or a teacher which I have been for all my life, a medical teacher.

The Turning Point

- It is very difficult to say and impossible to predict when a person gets the 'education' that turns or makes him a leader/ a first, in a particular field.
- In the life of almost all extraordinary personalities this turning point has turned a nonachiever in formal education into a leader in his field.
- Education is the most important tool along with the environment in this age group that makes the difference. Therefore, we want to show the seeds which will make a person like Hon'ble A.P.J. Kalam, C.V. Raman, Tata, Bill gates, Steve Jobs, Allen Musk, Jack Ma, National & Social heroes like Sardar Patel, Subhash Chandra Bose, etc. With your support, well wishes and Almighty's help the Chakrapani Education (Residential School) want to prove itself that 'Turning Point'. Every child is the child and future of mankind of that time hence their maximum development should be the aim of the society.

I believe this school will prove their happy learning home.

Thanking you

DR. VISHBENDRA KR. SINHA

माननीय अभिभावक,

आपके बच्चे के लिए यही विद्यालय क्यों?

मुझे ऐसा लगता है कि किसी के व्यक्तित्व का अधिकतम विकास कक्षा 6 से 12 तक होता है। इस अवधि की नींव पर व्यक्ति आगे किसी भी क्षेत्र में ऊंचाई हासिल कर सकता है। कितनी भी ऊंचाई पर (किसी भी क्षेत्र में) पहुँच जाने पर इस अवधि में विकसित गुण उसका संबल, उसका स्वरूप, उसकी संवेदना, उसकी क्षमता, उसके आदर्श बनें रहते हैं। व्यक्ति आजीवन बढ़ता और सीखता ही रहता है; परन्तु व्यक्तित्व निर्माण में इस अवधि का योगदान सर्वाधिक होता है।

अपने जीवन में व्यक्ति जो कुछ संचित करता है एक समयावधि के बाद उसे वितरित कर देने, लोगों को दे देने की प्रबल इच्छा हो जाती है। एक चिकित्सक होने के नाते एक बहुत बड़ा नीति परक अस्पताल मैं स्थापित कर सकता था, परन्तु मेरी संतुष्टि, मेरी अभिव्यक्ति, मेरे जीवन की पूर्णता मुझे एक विद्यालय में ही लगती रही है, जहाँ मोम सदृश्य बच्चे (व्यक्तित्व) आकार लेने लगते हैं। एक चित्रकार/मूर्तिकार की संतुष्टि, एक शिक्षक की तृप्ति; जो मैं पूरी जिंदगी रहा, एक चिकित्सा शिक्षक।

मेरे जीवन का सबसे सौभाग्यशाली समय मेरे अद्वितीय स्कूल नेतरहाट आवासीय विद्यालय में बीता। मेरी हर प्रकार से सीमित क्षमता में दूसरा नेतरहाट विद्यालय बनाना संभव नहीं है। फिर भी नेतरहाट के पुराने छात्रों (NOBA) में से अधिकांश यह अनुभव करते रहे हैं कि कुछ और होना चाहिए था। बेहतरी की कोई सीमा या तरीका नहीं है; बेहतर की सम्भावना हमेशा रहती है। अतः जो नेतरहाट में पाया उसमें अपने और मित्रों के अनुभवों, आज और आने वाले कल की आवश्यकताओं के अनुसार कुछ और एवं बेहतर देने की इच्छा है। यदि मैं उन कुछ तत्वों को आधुनिक, बेहतर बना पाया, विकास और आवश्यकता के अनुसार अपने बच्चों को दे पाया तो मेरा जीवन लक्ष्यपूर्ण और धन्य हो जाएगा, शांति प्राप्त हो जायेगी।

सभी बच्चे उस समय की मानवता के बच्चे होते हैं। उनका अधिकतम विकास ही समाज का उद्देश्य होना चाहिए जो आगे और बेहतर समाज की स्थापना कर सकेंगे।

मुझे विश्वास है कि यह विद्यालय प्रांगण बच्चों के लिए घर का आँगन ही होगा।

परिवर्तक बिन्दु

- यह समझना बहुत मुश्किल है कि कब, कैसे, किस कारण या भावना से व्यक्ति अपने को 'शिक्षित' कर लेता है और कब वह जीवन के विभिन्न आयामों में प्रणेतता बन जाता है।
- अधिकांश 'सुफल' व्यक्तित्व में एक परिवर्तक बिन्दु होता है।
- शिक्षा सबसे महत्वपूर्ण उपाय (Instrument) है जो व्यक्तित्व में यह उध्वर्गामी परिवर्तन ला सकती है।
- इसके लिए वातावरण और सत्पात्र दोनों महत्वपूर्ण हैं।
- 5 से 18 वर्ष की आयु सबसे महत्वपूर्ण समय है।
- अतः मैं सही समय पर वह बीज बोना चाहता हूँ जो एक सामान्य व्यक्ति को मान० ए. पी. जे. कलाम, सी. वी. रमन, स्टीव जॉव्स, अलेन मस्क, जैक-मा, टाटा, बिल गेट्स, राष्ट्रीय नायक, सामाजिक महानायक, विवेकानंद, सरदार पटेल, सुभाष बोस इत्यादि बना देता है।
- चक्रपाणि एडूकेशंस वह परिवर्तक बिंदु (turning point) बनना चाहता है।

Secretary's Note

Goal is the ultimate Goal!

Chakrapani Residential School is an ideal schooling taking care of all round development of a child at the same time making and giving every opportunity to excel in his particular ability/competence. However there are many students & parents who favour immediate result (in IIT, NIT, Medical, Law, SSC, PCS, UPSC etc) for this reason there has been mushroom growth of Dummy School catering for their examination only while the students are for off in coaching center slaking lots of trouble and expenses.

Therefore it has been conceived that at Charkrapani Educations Center there will be personalized and aim oriented special tuition you may call it coaching (A two in one arrangement).

Myself and many other have never taken any tuition or coaching apart from the regular classes. But we have witnessed that there were coaching or tuition schools making school/exam. Specific preparation like for Netarhat, Sainik School etc. They are picking up young at class 8/9 for preparation of IIT, Medicals etc.

And to our surprise many not deserving get through there and achieve the goal.

Goal is the ultimate Goal!

Hence at Chakrapani Educations for such candidate and ex-boarders (Days scholars) there is arrangement for special, tuition at every level

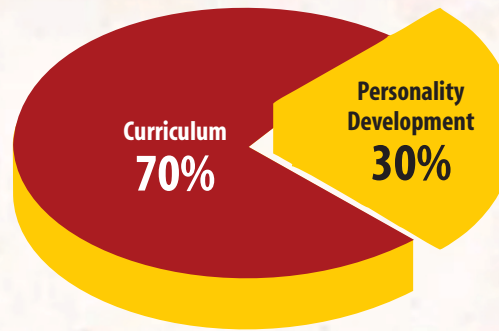

Eg.

1. At level class IV to VI there will be special coaching arrangement for preparing for Sanik School, Simultala, Navodaya Vidyalaya competitive tests.
2. At level 9, 10, 11, & 12 there will be special coaching for Engineering, Medical & Law etc.
3. Our this arrangement must have for reaching impact on success rate of your wards.
